The Honorable George J. Tenet  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Tenet:

We are writing with regard to the advisories recently made by Federal Bureau of Investigation Director Mueller and Attorney General John Ashcroft indicating the signs of new terrorist threats against the United States in the upcoming summer months. Because New York City was mentioned as a likely target, we request a full and confidential briefing by appropriate senior officials of all agencies.

We know that the Department of Justice, the Department of Homeland Security and the Central Intelligence Agency are working together to ensure the safety of all Americans and for that we are thankful. In addition, we ask that you make certain that local and state agencies receive all relevant information and intelligence that will assist them in taking every step possible to ensure the safety and security of New York and the entire country.

Because of the importance of this subject to us and to our constituents, we ask that a full briefing of all information, both classified and unclassified, pertaining to the threats on New York City be arranged for us this coming Tuesday, June 1. To facilitate arrangements for this briefing, please have your staff contact Kristen Brandt (Senator Schumer) at 202-224-3786 or Lona Valmore (Senator Clinton) at 202-224-5689.

Thank you.

Charles E. Schumer

Sincerely,

Hillary Rodham Clinton
